THE MINISTER OF TOURISM AND CULTURE (SHRI ANANTH KUMAR): (a) Yes, Sir.

(b) The steps taken by the Government to consolidate the gains of growth in foreign tourist arrivals include, interalia:

- Marketing strategy emphasising Conference and Convention tourism, Health tourism, Golf and Sports tourism, Adventure tourism, Wild life tourism, Island tourism, Eco-tourism holidays, Pilgrim tourism, festivals and fairs.

(f) Does not arise.

PROF. M. SANKARALINGAM: Mr. Chairman, Sir, one of the important items from which we can earn foreign exchange is tourism. Of course, the answer given by the hon. Minister enunciates so many measures. I welcome it. Moreover, there is a newspaper report in the *Indian Express* dated 8th March, 2001 under the caption 'Kerala to launch roadshows in US and Germany'. The State Tourism Secretary, Shri Amitabh Kant said, "Kerala will hold a series of roadshows in the United States and Germany." Why can't all the States be involved in it? What steps is the Central Government taking to cooperate with all the States to have roadshows and exhibitions in other countries?

SHRI ANANTH KUMAR: Sir, there is a welcome trend. There is an increase in the foreign tourist arrivals in India for the last five years. But it is not adequate. The Government of India's tourism offices abroad are continuously doing promotional and marketing campaigns, including roadshows and various other events.

PROF. M. SANKARALINGAM: Has the Central Government studied the improvement in the foreign tourist flow, State-wise, for

the last three years? If the statistics are not available, would the hon. Minister give the same to the House later?
